

Traffic Plan for Churchill Park School Admin Upgrade January 2010

Access to Site - Contractors

- All contractors' vehicles and materials will be required to be kept within the fenced area.
- No deliveries will be allowed Monday to Friday between 8.15 a.m. and 9.15 a.m. or between 2.30 p.m. and 3.30 p.m. (Exceptions may only be granted by the project manager or principal with adequate notice)
- The Board of Trustees reserves the right to review the access of contractors during the period of the contract

Access to Site - Staff, Students, Parents and Caregivers, and Visitors to the school

- **Foot traffic** into the school (all students, parents and caregivers, and visitors) are requested to use the pathway from Riddell Rd or the new asphalted access provided between the Hall and the construction area. **No foot access is allowed through the main gate entry between the construction zone and the property manager's shed.**
- **Pick Up of students during school time:** parents and caregivers must park in the lower carpark and walk up to pick up the student and sign out at the school office
- **Parking:** all parking on site is restricted to staff only plus one disabled access parking space. All other traffic is required to park in either Riddell Rd or the parking spaces below the school on Kinsale Ave. This applies to **all** users of the school, both in school and out of school hours (exceptions will need to be approved by the principal in writing)
